

## FY2021-1Q Financial Summary Video

Both “GLOBAL WiFi” Business and Information and Communications Service Business have been favorable, and the first-half forecast has been revised upward.

Vision Inc. Kenichi Sano President, Founder & CEO

Financial Results for FY2021/1Q; Sales JPY3,938mn, Gross profit JPY2,176mn, Operating profit JPY285mn, Recurring profit JPY313mn, Profit attributable to owners of parent JPY232mn.

In the “GLOBAL WiFi” Business, steadily capture the demand for teleworking and online training for new employees, etc. In the Information and Communications Service Business, utilizing the strength of having multiple businesses (products/services) and sales channels, the business has been favorable by minimizing the impact of changes in the external environment involving the newly declared state of emergency. Announced upward revision for the first-half forecast, and withdrew the full-year forecast.

We will improve the productivity of existing businesses, brush up the revenue structure, and develop a new business as a third pillar.
